RESERVED SEATS – K GRANDSTAND Available as individual days

The Grandstand K viewing area at the Monaco Grand Prix is one of the most coveted spots for motorsport fans around the world.

Overlooking the iconic harbour with its multi million pound yachts providing a unique backdrop, these seats provide expansive views of a significant portion of the track, including the challenging Tabac corner, the entrance to the Swimming Pool section, and the run towards La Rascasse hairpin as cars zip by at incredible speeds, mere meters away. The sensation of speed and the sound of high-performance racing engines create an electrifying atmosphere that is unmatched in most other sporting events.

RESERVED SEATS – T GRANDSTAND Available as individual days

Grandstand T is a large grandstand located in the harbour, opposite the pits and the upper rows are partially covered.

Located on the short straight between the last swimming pool chicane and the La Rascasse corner, in the harbour section of the circuit. The biggest advantages of the upper seats in this grandstand are the views of the pitlane action. You are also well placed to soak up the post-race atmosphere; no Monaco weekend would be complete without enjoying a drink or two at the famous La Rascasse bar nearby!

Reserved Grandstand Seats can be offered as individual days and can be combined with one of our Hospitality options to give a total contrast and provide the ultimate viewing experience.
