

“Alongside Monaco and Le Mans, the Indy 500 is part of motorsport’s legendary Triple Crown and a race I just had to get to one day! Well two years ago, as guests of the Rahal race team and together with my son Harry, I finally made it! I can honestly say it was even more spectacular than we ever expected!”

THE INDIANAPOLIS 500

Saturday 23rd & Sunday 24th May 2026

QUITE SIMPLY THE BIGGEST MOTOR SPORTING EVENT IN THE WORLD!

The Indy 500 is as American as apple pie. First run in 1911 and now a 500 mile flat out race at over 200mph in front of 350,000 fans with a field of 33 cars doing more overtaking in one race, than in a season of Formula One - it should be on every racing fan’s must-do list!

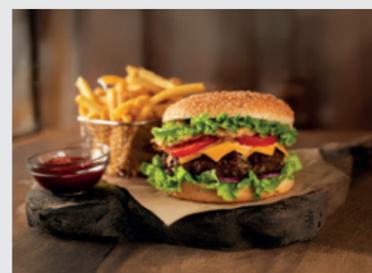

Our four night programme, based in the centre of the action in downtown Indianapolis, starts on the Friday evening (giving you flexibility to arrive on Thursday or Friday) and is hosted throughout by motoring legend Tiff Needell.

In addition to your 4 nights accommodation and hosted transfers throughout, your busy programme will include the famous Motor Speedway Hall of Fame Museum, driver intros, IndyCar Factory Tour and Saturday evening ‘race preview party’. Then on Sunday it’s all about the big race which you’ll enjoy in the comfort of the ‘Gasoline Alley Suite’ with spectacular views from your air-conditioned suite or soak up the atmosphere from the suite’s rooftop seating. Lunch and drinks will be served throughout.

We have limited spaces so an early commitment is requested.
