

# THE UNITED STATES GRAND PRIX AUSTIN TEXAS

Friday 23rd to Sunday 25th October 2026

MOTOR PASSION

## RESERVED SEATS – TURN 1 GRANDSTAND (Middle & Upper Section)

The COTA Turn 1 grandstand offers fabulous panoramic views of the first corner and is one of the most recognisable corners of the season.

Straight off the startline, the run into the first turn is on a steep uphill gradient and with the apex on the crest of the hill, this makes an ideal overtaking spot. As they exit the corner the track drops downhill again towards the second corner. Giant screens ensure you miss none of the action throughout the race.

## RESERVED SEATS – TURN 15 GRANDSTAND (Upper Section)

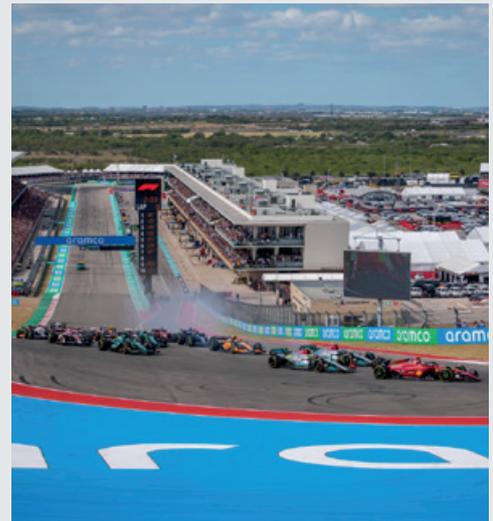

Overlooking the 'stadium' section of the track with several challenging corners which often produces surprise overtaking manoeuvres.

This natural amphitheatre provides a great atmosphere and with views over 30% of the circuit it's often the first stand to sell out. Giant screens ensure you miss none of the action throughout the race.

## RESERVED SEATS – TURN 12 GRANDSTAND (Upper Section)

Located at the end of the long back straight. Your seats overlook the braking zone at the end of the DRS zone and is one of the key overtaking spots on the circuit.

This grandstand also offers excellent panoramic views of 4 other corners meaning the cars are in view for nearly a third of the circuit. Please note the seats are bleacher style (no backs).
